

EMDR Europe Procedure for Funding National Associations

A NA can receive a funding of 1'000,00 EUR per year and further funds can be awarded in special circumstances. Funds may cover travel costs, accommodation, certificates at a reduced price, translation of articles etc. The funds have to be used to implement free projects for members.

The deadline for receipt of applications is May 1st for every NA.

1. The NA sends the application for funding to Treasurer and President by describing the project (specific details of the project, how members will benefit, costs, other sponsors, what exactly will be covered by the fund, annual budget of the NA if needed (e.g. if the NA generally is a NA with a reasonable budget).
3. The Treasurer and the President take the application to the EC to make a decision or requests further information.
4. The President informs the NA on decision/further requests/information.
5. If needed, there can be a 2nd discussion within the EC.
6. The NA sends a report after the project to be shared with the Board and eventually used in the EMDR Europe website highlighting funded projects.
